Jewish Immigrants Deported By British After Haifa Battle

By Eliav Simon

JERUSALEM, March 31 —(BUP)— Nearly sixteen hundred illegal Jewish immigrants from the vessel Moledeth were deported to Cyprus today after a battle with British troops in Haifa harbor fought against a backdrop of flames from sabotaged oil pipelines.

Germans Again On Food Strike

By JAMES DEVLIN

ESSEN, Germany, March 31 —(AP)— A strike of all German coal mines in the Ruhr in a protest against food shortages will be considered by mine union representatives in Bochum Wednesday, British officials disclosed today.

About 2,000 German miners struck this morning at Dortmund, but 4,000 others returned to four pits that had been closed.

SOME 10,000 persons including railway and wagon factory workers marched through the streets of Krefeld, on the west bank of the Rhine, waving banners protesting food shortages. A similar demonstration was planned later today in the coal centre of Duisburg. A protest was cancelled at Cologne.

Official figures compiled by the British-operated north German coal control office showed a significant decrease in Ruhr coal production during the restless period of demonstrations, although most miners so far have obeyed union instructions to remain at work.

THE 4,000 Dortmund strikers who returned to work said they would walk out again tomorrow if their food demands were not met. The miners said their families were getting barely two-thirds of the standard 1,500 daily calorie ration established in the British and American zones.

HAMBURG, March 31 —(Reuters)— Between 200 and 300 Hamburg dockers tried to stage a demonstration before the town hall here today as Ruhr hunger parades entered their second week but the German police quietly dispersed them before they reached their destination.

Charges Formosa Reign of Terror

SHANGHAI, March 31 —(AP)— John W. Powell, editor of the magazine China Weekly Review, charged today that Formosa's governor-general, Chen Yi, has "compiled a reign of terror probably not equalled in China in the history of the Kuomintang (governing party)" to "virtually suppress the Formosa revolution."

POWELL said disturbances are continuing only in the more remote sections, but that, by conservative estimates, 5,000 Formosans already are listed as dead and thousands have been imprisoned. He published his report after returning from a visit to the big island, which was returned to Chinese control after the defeat of Japan.

The Central News Agency—official government organ—previously termed the Formosan disorders open and widespread rebellion. No comment on Powell's report was forthcoming from government sources.

Soviet Novelist Assails Delegates

MOSCOW, March 31 —(AP)— Soviet novelist Leonid Leonov bitterly assailed the foreign ministers' council in Pravda today, asserting that the ghosts of 7,000,000 Russians who lost their lives in the war are standing around the conference table smiling ironically at the "gentlemen" who, he said, broke the Yalta and Potsdam agreements on giving reparations to Russia. "The women in the streets," Leonov said, "have begun to appraise the conference as a tiresome discussion in which some of the participants do not want to return to the orphan and bread and roofs taken away by burglars..."

Record Harvest

FORT WORTH, Tex., March 31 —(AP)— A record wheat harvest, estimated at 110,000,000 bushels, is expected to begin May 20, but a desperate shortage of box cars faces growers. G. E. Blewett, secretary-treasurer of the Texas Grain and Feed Dealers Association, said last night.

Increase Price Of Bulletin Patterns

Commencing today a general increase in the price of THE EDMONTON BULLETIN patterns by Anne Adams and Alice Brooks goes into effect. Instead of 20 cents they will now cost 25 cents. The increase has been necessitated by reason of increased cost of production and handling charges.

FOOD RIOT: A food riot has been staged by 100,000 in Düsseldorf, one of the most heavily bombed cities in Germany. It is not an uncommon sight to see soup lines or a child, such as the one above, begging for food on the streets.

Situation Said Under Control

Hindu, Moslem Riots Take Lives of 99 In Bombay, Calcutta

BOMBAY, March 31 —(BUP)— Official accounts of bloody rioting between Hindus and Moslems said today that 99 persons had been killed and 543 wounded in Bombay and Calcutta, the two biggest cities in India with a combined population of 3,500,000.

Govt. Winning Fight in Greece

ATHENS, March 31 —(AP)— Athens newspapers said today that a four-day battle between Greek troops and about 1,500 guerrillas on Mount Vardoulas, southwest of Lamia, was developing favorably for the government.

AT THE SAME time, a press report said the senior naval officer for the northern Aegean had proclaimed a blockade of the north-east Greek coast from the Gulf of Volos north to Litchoron, near Mount Olympus. Any vessels violating the blockade were warned they were liable to be sunk.

Dispatches from the Lamia area said the guerrilla forces, cornered on barren mountain peaks, were being cut down by aerial gunfire and would have to surrender. Casualties included 123 irregulars killed within the last two days.

EMEROS, Conservative paper, said Captain Moravas, a Slav autonomist leader, was killed in a clash near Yannitsa, in western Macedonia, in fighting during which his hand suffered heavily. Authoritative quarters believed combined ground, naval and air operations were planned for the near future to quell guerrilla activities in the north.

Prince Albert Escapes Floods

PRINCE ALBERT, March 31 —(CP)— The ice-floored North and South Saskatchewan rivers swept freely past Prince Albert today after an ice jam at the Canadian National Railway bridge at St. Louis, 20 miles south of here, broke Saturday night and released the latter stream.

WITH THE rivers flowing freely, danger of a flood in the Prince Albert area seemed at an end.

Farther south, and west, the South Saskatchewan which had burst its banks and covered an estimated 40,000 acres in the Pelly and Moon Lake districts, was receding slowly but the scores of residents who had fled to higher ground still were unable to return to their homes. No casualties were reported.

There was no estimate of the number of cattle or other livestock lost or the damage done to property but it was feared it would be heavy.

U.S. Intervention Said Peace Threat

BELGRADE, March 31 —(Reuters)— Marshal Tito, Yugoslav premier, told parliament today that as a result of American intervention Greece had "become a base for imperialist plans," which might threaten world peace. Addressing a joint session of both houses of the Yugoslav national assembly, Tito said the United States embassy at Belgrade under Richard Patterson, ambassador who resigned last week, was "an obstacle to friendly Yugoslav-American relations." He alleged that the embassy and Patterson had been guilty not only of "constant attempts to interfere in our national affairs" but also of circulating "lies and slanders" about Yugoslavia.

While busy outside her home for a few moments Friday, Mrs. D. Zahara, 10146 108 street, said someone entered the house and stole a wallet containing \$11. A bicycle was stolen from R. G. Christiansen's verandah at 11304 99 street. The theft took place Friday night or Saturday morning.

Britain Continues Aid to Greece

LONDON, March 31 —(Reuters)— Britain has informed the Greek government that economic aid, due to end today, will be continued for a limited time and for a limited amount as a stop-gap measure until United States aid becomes effective, it was learned authoritatively today.

On Disarmament Question

Britain Planning Seek Showdown With Soviet

LAKE SUCCESS, N.Y., March 31 —(AP)— Great Britain will seek a showdown with Russia on disarmament principles before plunging into a United Nations program to slash the world's arms, an authoritative source said yesterday.

THE ISSUE was expected to come to a head Tuesday with completion of policy speeches in the 11-power commission on conventional armaments. Britain's move would supplement her previous assertion that the world was not ready to disarm and would be until international security was established.

Despite the call of Foreign Minister Molotov of Russia for speed when he tossed the original arms reduction proposal into the general assembly last fall, the Soviet Union so far has declined to speak in the new commission.

FIRST GERMAN WAR BRIDE to come to Canada is Mrs. Helga Rosekat of Kitchener, shown writing to her parents in the village of Neurnberg, Germany. Mrs. Rosekat, 18-year-old former Danzig resident, met her husband, Charles Rosekat when he came to her home for coffee while with the British occupation troops. With her is a four-year-old niece, Joanne.

At Anti-Communist's Rooms

Two Shots Are Fired In Cartier By-Election

MONTREAL, March 31 —(CP)— Police reported today that two shots had been fired at the committee room of Paul Masse, anti-Communist and Autonomist candidate, shortly before noon, ending the morning tranquility of the Montreal-Cartier federal by-election. Police said they had no reports of injuries but unofficial reports said two men were hurt slightly.

A SPOKESMAN at the office of Captain Jack Ennis, head of the anti-subversive squad, said the shooting had been reported to him by a member of the squad.

Newspapermen, who saw one bullet lodged in a door in the hall of the St. Urban street committee room, were told at the committee room that about 20 men, in cars and carrying blackjacks came to the committee room about 11:40 a.m.

REPORTS AT MR. Masse's committee room, which could not be confirmed immediately, were that

Imperial Oil Well Again Producing

Imperial Oil No. 1 well went back into production at 11:30 a.m. Saturday, and up until 8 p.m. Sunday it had yielded 121 barrels through a one-eighth of an inch choke.

OFFICIALS EXPRESSED their satisfaction with the way the well was functioning.

No. 2 well has reached a depth of 4,510 feet and No. 3 is at 3,408. It was stated that No. 4 well had been spudded-in, but work was being hampered by prevailing conditions.

Another major development in the search for oil in the central prairie provinces may be in the offing.

According to latest reports from Lloydminster on the Saskatchewan-Alberta border, the neighboring Dimsdale Number 1 well has produced 144 barrels in a period of ten hours.

DRILLING on the well was completed last week, when oil was struck at a depth of slightly less than two thousand feet.

The Dimsdale well is located just northwest of Lloydminster, and is in the same area as those wells belonging to the Lloydminster Oil Producers Limited.

Asks Accounting Of German Gold

MOSCOW, March 31 —(AP)— The Soviet deputy foreign minister, A. V. Vishinsky, demanded today that the inter-allied reparations agency report to the council of foreign ministers the amount of German gold located in wartime neutral countries. Vishinsky told the deputy foreign ministers he had heard from press reports that there are seven tons of the metal in Sweden and 50 tons in Switzerland to be added to the 230 tons captured in Germany by the United States.

Recovery Plan

LONDON, March 31 —(Reuters)— The Daily Telegraph said today the British ministry of agriculture had worked out a three-point plan to make good the devastation of this month's floods in Britain, featuring interest free loans and compensation to farmers, special fertilizer supplies and alternative cropping plans and an appeal for more workers on the land.

U.S. Charges Ultimatum To Ministers

MOSCOW, March 31 —(AP)— State Secretary Marshall, in his bluntest speech of the conference, denounced Soviet Russia today for delivering "an ultimatum" to the Foreign Ministers Council.

"Unless we can have a real meeting of minds and a real desire to carry out both the spirit and letter of our agreements it would be better if none were reached," Marshall said.

"We can never reach real agreement on the basis of ultimatum or immovable positions," Marshall declared in commenting on the Soviet position that unless Russia received reparations from current German production no settlement could be reached.

Earlier the British delegation circulated a proposal for Foreign Secretary Bevin for the unification which he said should be made effective by abolishing all restrictions on movement of goods between the zones.

THIS PROPOSAL, obviously unacceptable to the Russians, provided that before any reparations could be paid the Germans would have to pay back sums advanced for Germany's maintenance by the occupying powers and meet the cost of occupation.

At the same time that he commented on Russia's stand-pat position, Marshall criticized the French for adopting the immovable attitude that they must have coal

Try to Prorogue On Monday Night

Every effort is being made by the government to prorogue the legislature Monday night, according to officials.

It is likely that this will mean a Monday night sitting, and if the debate on some of the legislation still to come before the sitting is unduly prolonged the session will prorogue on Tuesday morning, Premier Ernest Manning said.

Heavy Snowfalls Delay Seeding

Heavy snowfalls all over the province will probably result in delays for farmers anxious to get on their land, it was learned from officials of the department of agriculture.

Farmers in the south of the province should be working their land before the end of this week "if they are not on it this morning" is the opinion of one official of the department.

Others said that the heavy snowfalls of the winter have soaked the ground sufficiently to delay early cultivation, but this is regarded in a favorable light as it means a good reserve of moisture.

May Put Closure On House Debate

OTTAWA, March 31 (CP)—The possibility arose Sunday that the government might have to apply the rarely-used procedure of "closure"—the automatic cutting-off of a debate—to end the long discussion now brewing in the Commons over the administration's omnibus control bill.

BY THIS METHOD, the government is enabled to bring a debate to an end within 48 hours after closure is applied.

Parliamentary sources stressed that if the government used closure it would be done only as a last resort if the debate appeared to be crowding the May 15 deadline for the expiration of the Emergency Transitional Powers act under which the wartime controls now are being continued.

Packard Announces 1948 Convertible

DETROIT, March 31 (AP)—The Packard Motor Car Company Saturday announced a 1948 super-eight convertible, described as "new from the tires up," to be placed in quantity production in June as a supplement to the present Packard Clipper line. George T. Christopher, Packard president and general manager, said "materials shortages, including specially-built frames, will prevent earlier output. The new model is on a 120-inch wheelbase. Its price was not disclosed."

Optimists To Hear Activity Reports

Reports covering the past year's activities will be given at the annual meeting of the Optimist Club, Thursday at 12:15 p.m. at the MacDonald hotel. Reg. Easton, retiring president, will welcome the new president, Dr. Lou Heard, who will take over office. Reports of officers and committee chairmen will be given.

The King Thanks Hosts in Africa

PRETORIA, March 31 (Reuters)—Reference to his "constant anxiety" about Britain's fuel and weather crisis as the only flaw to "six very happy weeks" in South Africa were made by King George in a speech at a state banquet in the City Hall here Saturday night.

THANKING Field Marshal Smuts, South African premier, for his welcome to Pretoria, administrative capital of the union, the King, whose speech was broadcast by the BBC said:

"Our memories are rich in store of the loyalty, good-will and affection which have been offered to us in such generous measure during the last six weeks. I thank you, and through you the people of the Union of South Africa, for an experience that has been as heartening as its recollection will, I believe, be everlasting."

Say CBC Menace To Two Freedoms

OTTAWA, March 31 (CP)—Radio as now administered in Canada was criticized in a resolution adopted by the Progressive Conservative Association of Canada at its fifth annual meeting which concluded Saturday.

THE RESOLUTION, released Sunday, read: "The CBC as presently administered is a menace to freedom of speech, freedom of enterprise, as it occupies the untenable position of being the controller of and at the same time a competitor with private radio stations. The control of radio should be removed from political domination and vested in an independent board."

"Radio license fees should be abolished."

Carl Niderost Gets CPR Promotion

MONTREAL, March 31—Carl Niderost, K.C., is appointed as assistant secretary of the Canadian Pacific Railway company. He has been announced. An assistant manager of the personnel department for the past four years, he came to the CPR in 1943 from Saskatoon where he was a leading lawyer and mayor of the city in 1939 and 1940. Mr. Niderost will be secretary of Canadian Pacific steamships and of Canadian Pacific Air Lines.

Urge New Provincial Talks Tories Rap Domestic Policy of Government

By D'Arcy O'Donnell

OTTAWA, March 31 (CP)—The Progressive Conservative Association for Canada, in a series of resolutions released Sunday, criticized the external and domestic policies of the government and called for changes in the fields of defence, immigration, trade, taxation, pensions, agriculture, fishing, labor, social security and others.

THE RESOLUTIONS were adopted Saturday before the conclusion of the three-day fifth annual meeting of the association but their release was delayed pending study by the caucus committee of Progressive Conservative members of the Commons.

"We condemn the present administration for its failure to enunciate a clear and definite policy with respect to the position Canada should occupy in international affairs and for vacating Europe at a time when such withdrawal (of the occupation force) materially reduced our influence at the peace conference, said one resolution."

"We subscribe fully to the principles of the United Nations organization and declare our willingness to accept our full share of the responsibility involved in such membership. We believe that the women of Canada should have a representative in the United Nations organization."

Jewelers View Film on Watches

Historic evolution of timekeeping from the crude method of reading time from shade trees and running sands down to the fine precision modern watch is depicted in an interesting film of the Canadian Elgin Watch Company at a regular meeting in the Macdonald hotel Friday evening of members of the Northern Alberta Jewelers' Association.

PRESIDENT E. G. WARHAM of the association was in the chair and about 25 members from Edmonton and northern Alberta centres were present.

At the business session there was considerable discussion of the new legislation covering the watchmaking trade in Canada.

On April 1 the new Dominion act goes into effect which calls for compulsory examinations for all watchmakers before certificates to practice the calling will be issued.

WATCHMAKERS WITH five years or more bench experience who apply for certificates before April 1 are not required to write examinations.

It is expected that similar legislation will cover jewelers and engravers in the future.

The Book of Knowledge

(Department: The United States)

This and the following articles are taken from the Book of Knowledge and can be clipped for saving in a reference book.

A hundred-odd years ago, boys who wished to become United States naval officers got appointments as midshipmen and were sent aboard war vessels to carry messages for the officers. They were only boys and no one looked after them very much unless they got into mischief. Then they were severely punished. Under these conditions, a few became good sailors and officers, but the thoughtless did not learn much.

Later several school masters were appointed to the ships, but there were many interruptions to

the teaching. Some of the officers favored a real naval school, and Matthew F. Maury, a distinguished officer, wrote so much upon the subject that he has been called the "Father of the Naval Academy." Finally the famous historian George Bancroft became Secretary of the Navy, and he was determined to found a school to train officers.

There was an abandoned fort at Annapolis, Maryland. The War Department turned over Fort Severn and nine acres of land to the Navy Department, and here in October, 1845, the Naval School was opened, with 3 instructors and 50 midshipmen. The course of study was to be five years, of which the first and fifth were to be spent at school and the other three on board ship. The name was changed to the United States Naval Academy in 1850, and the time spent at school became four years.

At the beginning of the Civil War, it was feared that Annapolis was too far south to be safe from Confederate attack and the school was moved to Newport, Rhode Island, in 1861, and did not return to Annapolis until 1865.

After the Civil War, the Navy was neglected, and little attention was paid to the Academy. There were not places in the Navy for all the graduates, and they were encouraged to resign. But later, many new vessels were built, and more officers were needed. After the Spanish-American War, magnificent new buildings were constructed.

WPTB Can Quash Boost in Freight

OTTAWA, March 31 (CP)—Prices board officials reach for the headache powders every time they are reminded of the current inquiry into the railways' application for higher freight rates.

PRIVATELY, some of these officials are saying that the granting of a 30-per-cent general increase, such as is asked by the roads, would blow the lid off prices altogether.

While it is considered virtually impossible to calculate the percentage rise in commodity prices that a one-third jump in rates would create, Dominion officials say it would amount to considerably more than that by the time it reached the consumer.

BESIDES THIS, there is another cause for agitation on the part of the prices board. That is the circumstances that this custodian of the price line will be the final arbiter, after the transport commissioners render their opinion, on whether increases do go into effect.

City Motorman Dies at 77 Years

Robert Chambers, well-known motorman of the Edmonton Transportation system, died in an Edmonton hospital Friday night. He was 77 years old.

HE WAS BORN in Wigan, Lancashire, Scotland, and served for a time as lighthouse keeper at lighthouse points in Scotland, and later with the Municipal Street Railway in Glasgow, Scotland.

Coming to Edmonton in 1900, he became an employee of the Edmonton Transportation System in October of that year, and served continuously as motorman until his retirement in 1930.

He served on most of the street car lines in Edmonton, and for the last several years, he had been motorman on the McKernan line.

He was a well-known member of the Masonic Lodge in Edmonton; took an active part in the Highland Games.

After his retirement he and his wife moved to Three Rivers, P.Q., where his wife died in 1943. He then returned to Edmonton.

He is survived by two sons, Dr. Allan Chambers, Prince George, B.C., who served in the Royal Navy during the recent war, and Robert, an electrical engineer with the Shawinigan Engineering Co.

12-Year-Old Wins \$40,000 in Sweep

MONTREAL, March 31.—(CP)—A 12-year-old schoolboy from near-by Lachine was disclosed last night to be the holder of a ticket on the second place horse in Saturday's Irish Sweepstakes. The ticket, worth \$40,000, was taken out for him by his father. The youngster is Claude Roussel, a seventh grade student at Academie Provost in Lachine. The father, Max Roussel, is a foreman at the Lachine coke plant in Montreal. The ticket, No. MV-94964 and drawn on Lough Conn—was signed with the non-duplicate of "Bill."

New Soapless VEL Marvelous For Dishes

by Frances Thompson
noted homemaking authority

Nobody likes doing dishes, but there is now a new product called VEL that certainly makes the inevitable job a whole lot easier and quicker.

UNLIKE SOAP VEL is not soap—it's a soapless discovery. Its quick-forming foamy suds don't last—they're not meant to. But the CLEAR water remaining in dishes and sink is the very thing which makes glasses and china sparkle and so quickly cleans the porridge pot and rusting pan... the two big jobs of dishwashing. What is more, dishes washed in VEL and given a quick rinse will dry themselves without streaking. It's amazing how VEL cuts the grease and leaves little if any suds on the sides of your sink. If necessary a tiny sprinkling of dry VEL on the dishcloth, then a quick rub-around, will make the sink or dishpan gleam. And, incidentally, VEL is very kind to the hands.

VERY LITTLE VEL NEEDED Frankly, at first we were skeptical of VEL for we missed the heavy dishpan suds produced by soap. In error, we added more, but now know that a very little VEL goes a long way... and that VEL keeps on cleaning long after the suds dissolve. A teaspoonful or two of VEL is usually plenty in a dishpanful of water. Add a little more for larger sinks or very greasy pans.

"VEL" is a registered trademark of the COLGATE-PALMOLIVE-PET CO. LTD.

Montreal Reds Aim at Veterans

MONTREAL, March 31.—(CP)—The Gazette said today in a newspaper story "veteran groups, youth organizations and the labor movement are probably the most important spheres in which Montreal Communists are infiltrating with a view to creating general unrest and increasing the party prestige." The paper in the last of three articles written from what it describes as a highly confidential report of a Labor Progressive party meeting here last November, added that Communists hoped to use such conditions "as a platform in coming elections, particularly next December's municipal election."

Boy, 14, Planned 'Become Murderer'

VANCOUVER, March 31 (CP)—A 14-year-old youth whose one ambition is to be a "big shot criminal," has ended his reign of terror as leader of a teen-aged gang and now is in police custody. The self-styled leader of the gang that is suspected of committing 16 city burglaries, told police that he would some day be a murderer. The gang composed of eight boys from 11 to 15 years of age, staged a short-lived "crime-wave." Their loot included candy, gum and small sums of money, but police said the gang had a "big job" all "cased" a planned theatre robbery.

Detroit and Boston Score Playoff Wins

TORONTO, March 31 (CP) — Detroit Red Wings, rebounding from the 3-2 defeat they suffered Wednesday night, overpowered Toronto Maple Leafs 9-1 before 14,045 fans Saturday night to even their best-of-seven Stanley Cup semi-final series at one victory apiece.

The rampaging Wings, their line-up shaken up to provide more scoring power, rolled up a two-goal lead in the first period by taking advantage of a penalty to the Leafs and held that right through to the third when they suddenly exploded for six goals, three of them in the last three minutes of play.

SLIM TED LINDSAY, 21-year-old leftwinger, and Roy Conacher, a member of the famous Toronto hockey family, paced the victors in goal-getting with a pair apiece. Sid Abel, Billy Taylor, Pete Horack, Jim Conacher and Eddie Bruneteau racked up singles.

All told, Detroit marksmen rolled up 25 scoring points. Taylor, who had four assists, and Roy Conacher, three, tied the individual point scorers with five apiece.

VETERAN NICK METZ scored the one goal for the Leafs, who looked inept most of the way and only showed occasional flashes of the form which enabled them to finish in second place in the league standings. Metz fired his shot from the blue line on a pass from Gave Stewart.

DETROIT—Almas: J. Stewart, Quackenbush; Abel, Horack, Lindsay, Suba; McLaugh, Reiss, Taylor, Howe, R. Conacher, Lundy, Bruneteau, J. Conacher, McFadden, Gauthier.

TORONTO—Brooks: Thomson, Morrison, Apris, Kuchni, Watson, Suba; Barilko, Beech, Polle, Kennedy, Meeker, Lynn, N. Metz, Kluskey, G. Stewart, D. Metz.

Referee: Clancy. **Linesmen**: Gibby, Munday, Gelliffe.

FIRST PERIOD: 1-Detroit, Lindsay (R. Conacher) 6:27; 2-Detroit, Abel (R. Conacher) 13:57; 3-Detroit, Horack (Lindsay) 15:37; 4-Detroit, J. Conacher (Lundy, Reiss) 17:30; 5-Detroit, R. Conacher (Taylor, McLaugh) 18:30; 6-Detroit, Bruneteau (Taylor, R. Conacher) 19:30. Penalties—none.

MILT SCHMIDT PACES BRUINS 4-2 VICTORY
BOSTON, March 31 (AP)—Just when the Boston Bruins appeared to be wilting into a third straight National Hockey League semi-final playoff defeat, their mighty Milt Schmidt, operating from a strange defensive post, sparked them into a 4-2 victory over Montreal Canadiens Saturday night before a crowd of 13,969 at Boston Garden.

SCHMIDT HAD to drop back during the second period when defenseman Murray Henderson became sidelined with a groin injury. Canadiens had built up a 2-0 lead during the first six minutes of play and the Bruins appeared hopelessly out of contention when Schmidt joined their defencemen.

ABOUT HALFWAY through that period, Schmidt headed a five-man Boston charge and wheeled in Clare Martin's assist. Less than two minutes later, while both sides were short-handed, Joe Carveth pulled the Bruins in to a 2-2 tie by angling in Pat Egan's passout. The sides were still underlashed when big Milt clinched the game by putting on a breath-taking rink-length dash for an unassisted tally.

Canadiens suffered the loss of stout-hearted Kenny Reardon with a foot injury late in the second session.

BOSTON—Brimeak: Martin, Henderson; Cowley, Bauer, Dumart, Suba; Schmidt, Carveth, Gullinger, Egan, Guldin, Smith, T. Beardon, Marquess, McGill, Farnan.

CANADIENS—Dunsmuir: K. Reardon, Bouchard, Gully, Richard, Blake, Suba; Macey, Chamberlain, Allen, Leger, Harmon, Filion, Reay, McDell, Peters, McKay.

Referee: Hayes. **Linesmen**: Young, McCabe.

FIRST PERIOD: 1-Montreal, Richard (K. Reardon) 9:38; 2-Montreal, M. Henderson (Chamberlain) 5:28; Penalties—Henderson (Chamberlain, Richard (major), Dumart, Harmon, McGill (major), Gully (major).

SECOND PERIOD: 3-Boston, Schmidt (Martin) 16:45; 4-Boston, Carveth (Egan, Guldin) 12:32; 5-Boston, Schmidt 18:30. Penalties—Smith, Richard (Macedoni), Bouchard (major), Gullinger (major), Farnan.

THIRD PERIOD: 6-Boston, Dumart (Bauer, Cowley) 15:48; Penalties—Dumart, Guldin, Chamberlain, Schmidt.

Barb Scott Crowned North American Ace
OTTAWA, March 31 (CP)—Barbara Ann Scott, 18-year-old Ottawa world champion, and Dick Button, 17, Englewood, N. J., United States senior titleholder, were crowned monarchs of North American senior amateur figure skating Saturday night as the two-day continental championships drew to a close here.

Pairs champions were swift, compulsory school figures, which account for 66 per cent of a competitor's final points.

Surprise competitor of the meet was diminutive Jimmy Grogan, popular 15-year-old youngster from the St. Moritz Skating Club at Berkeley, Cal. Near the bottom during the school figures, Grogan advanced to second place with a sensational exhibition of free skating in his first senior competition.

Goalie Brilliant As Dynamiters Triumph by 3-2

By HAROLD DEAN

Edmonton Bulletin Sports Writer
Kimberley Dynamiters today are riding one game in front of Calgary Stampede in their best-of-seven western semi-final series and one "Jakie" Nash is chiefly responsible.

The British Columbians came up with a 3-2 victory over the Calgary club at the arena here Saturday night before a crowd of more than 6,500 and now hold a two to one edge in games, but the win was a narrow one and super work by a nimble net-minder paid off.

Nash used his pads now and then, but often a toe or a handy elbow deflected a Stampede shot. "Jakie" also showed a slick pair of hands and an effective stick and all-in-all gave a thrilling display before the Dynamiter pipes.

CALGARY, with a big margin in territorial play outshot Dynamiters 9 to 4 in the first period, but only one goal got past "Jakie" and the count was 12 to 5 in the third with Stampede having the pressure on much of the time. It was a saw-off in the middle session with each club having eight.

Dynamiters were never worse than even. "Buck" Kavanagh put them on top just 12 seconds from the start and first Sam Calles and finally Pete Clement cancelled Bob Brownridge's pair of tying goals.

Nash kept the door shut after Clement fired the winner at 12:11 in the third period.

PLAYING in Edmonton Flyer uniforms, due to the similarity of their own with Calgary's, Dynamiters got off to an early start. The first shot on the Stampede net was Kavanagh's goal scored from a scramble a few feet out. Benny Redisky getting the pass over to his buddy.

Almost immediately following the tally Harry Brown was chased for tripping and Stamp turned on the heat, but Nash kicked out two shots by Hunter and another by Grant before Brown was back. Nash made another fine save from Redisky after the first change.

BROWNIDGE'S tying counter resulted from a nice effort with Dunc Grant midway in the period and although Brown drew an interference penalty right after, there was no further scoring.

Calles was beaten by Dertell on a breakaway at 17 minutes and this was only the second shot on the Calgary net in the period. Wilson and Sanderson later got in two more.

BROWNIDGE served a tripping penalty for Dertell just after the start of the second period, but Stampede defence held tight with Art Michalak doing excellent work. Not a single shot got through on the Calgary goal while the team was short-handed.

Calles sent Dynamiters ahead 2-1 when he came around behind the Stampede net and poked the puck into the corner, Sullivan and Johnston drawing assists.

CRADDOCK, banished for slashing Forsy at 17 minutes and he was just back on the ice when he charged Brown and was thumbed again. Kimberley failed to cash in on the man-power advantage.

Brownridge again tied up the game at 18:48 and this was the best goal of the night, a three-way passing affair with Hunter and Grant. Hunter made the final relay and Brownridge rifled the puck past Nash from about 15 feet.

DERTELL BARELY got his toe on a hot one from Wilson's stick seconds after the third period began, but from there on it was mostly a Stampede-Nash show. The Kimberley goalie in one single minute stretch kicking out four Calgary shots.

Frank Sullivan set up the winner for Pete Clement and it was the first appearance on the ice for Clement, an ex-St. Boniface player. The puck went between Dertell's feet.

COACH JACK ARBOUR lifted the Calgary goalie in the last minute, but the Dynamiter defence was too tough to crack. Brown got a long shot away toward the empty net, but the puck hit the Calgary goal-post.

Saturday night's loss was the sixth straight for Stampede on Edmonton ice this season, the Flyers having turned them back five times in a row. Tonight's game, the fourth in the semi-final series, starts at 8:30.

CALGARY—Dertell; Michalak, Shogquist, Hunter, Brownridge, Grant, Suba, Cairns, DeMarrais, Dams, Emery, Craddock, Wilder, French.

KIMBERLEY: Nash; Johnston, Brown, Redisky, Forsy, Kavanagh, Suba, Sullivan, Calles, Sanderson, Swamy, Clement, Wilson, Jones.

Officials:—L. Lynden and B. Galt, Winnipeg.

FIRST PERIOD: 1—Kimberley, Kavanagh (Redisky) 12:11; 2—Calgary, Brownridge (Grant) 10:31; Penalties—Brown (2).

SECOND PERIOD: 3—Kimberley, Calles (Sullivan, Johnston) 6:22; 4—Calgary, Brownridge (Hunter, Grant) 18:49; Penalties—Craddock (1), Dertell (Served by Brownridge).

THIRD PERIOD: 5—Kimberley, Clement (Sullivan) 12:11; Penalties—

THEY HAVE REASON TO SMILE: Kimberley's redoubtable Dynamiters, former Dominion champions, were in a jubilant mood in their dressing room after blasting out a 3-2 victory over the champion Calgary Stampede in their third game of their Western Canada senior semi-final playoff here Saturday night. Each team had previously won a game. Shown from left to right are Sam Calles, who scored their second goal; "Sully" Sullivan, who set up the plays for a couple of goals; Jake Nash, who was sensational between the posts; Bill Johnston, who made the pass for Calles' tally, and Ben Redisky, who provided the pass for "Buck" Kavanagh's opening goal. The bottom picture shows Pete Clement, whose low shot beat Russ Dertell for the game-winning goal, being congratulated by Jim Livingston, club manager, and Ralph Redding, coach.

Along the Rinkside

—with Bert Greer—

Coach Jack Arbour was unperturbed by Stampede's 3-2 setback to Kimberley Dynamiters in the third game of the Western Canada senior hockey semi-final here last night.

"They're only one game up and this is a seven-game series," he remarked. He thought Jake Nash was sensational in the Kimberley net and the Dynamiters had done a pretty fair job of muffling the Stampede's "big guns" with their tenacious checking.

Manager Dave Duchak was also far from the depths of despair. In the dressing room after the game Dave looked down at a slight bulge on his "equator" and said with a big grin: "Guess I had better get back into shape. They may need me yet."

Bob Brownridge was the only Calgaryian who could outfox Jake Nash. Bob fired both Calgary goals and they were of the picture variety. Dunc Grant supplied the pass for the first and sharp-eyed Nash slipped the disc behind Nash from a difficult angle. The second came after some fancy rink-wide passing with Dunc Grant again making the payoff play.

Stampede were never ahead. Kavanagh whipped in Redisky's pass when the game was only 12 seconds old, and the Albertans never really recovered from that shock. Sam Calles put Kimberley ahead again in the second, and Pete Clement, who only played about two minutes, counted the winner. It was a low shot that scarcely left the ice.

Edmonton fans who had watched Art Michalak, big Calgary defenceman bounce their Flyers around all winter, got quite a kick out of seeing Lyall Swaney bring the Stampede stalwart down with a body check. Art didn't seem to mind. He got up with a wide smile as the crowd roared. He was taken off guard at the time, as he was too busy stick-handling to worry about who he might bump into.

Coach Ralph Redding, one of the mainstays of the Dynamiters for years, was jubilant over his team's success, but didn't make any predictions on the outcome of the series. He thought Nash was a big factor in the team's win.

Johnny Worth, sports writer for the Kimberley News, wasn't a bit impressed by the team's performance Saturday night. "They can play a lot smarter hockey than that," he remarked as the club was desperately defending a 3-2 lead in the third period.

The Western International League was reasonably successful, and all the clubs will be playing again next season, Worth stated. He said Los Angeles was the only team that had tough sledding. It lost plenty, but Spokane proved to be a red hot hockey town. The Clippers packed them in all season.

Bob Mammal, sports editor of the Calgary Herald, and Tom Moore, sports editor of The Albertan, accompanied the team. After the match Bob expressed the view that the Stampede had been unfortunate around the goal, but he had praise for Nash and the close-checking system of the Dynamiters.

Last year it was the Hamilton club that was superstitious, but this year it's the Calgary team. The Hamilton boys refused to discard their old

worn-out uniform until the series was over.

It was discovered Saturday night that the Stampede are picture shy. Coach Arbour suggested that perhaps they were a little superstitious. Perhaps a picture would have changed their luck—and any change in that direction could only be an improvement.

Henry Viney, well-known radio sports commentator for station CFRC, Calgary, believed the new arena which will be built in the foothills City in the near future will be a boon to hockey and curling.

Construction of the building, which will cost \$750,000, will begin immediately after Fair Week and is expected to be completed by the end of next spring. It is likely to be located near the 17th ave. and 2nd st. E. entrance to the exhibition grounds and will seat about 6,500. The old arena will be converted into a 20-rink curling club.

Hits at Refereeing In Boston Game

MONTREAL, March 31 (CP)—General manager Frank Selke of Montreal Canadiens said Sunday that the refereeing in Saturday night's Stanley Cup semi-final round game at Boston between the Bruins and Canadiens was "the worst I've ever seen in my life."

Referee was George Hayes of Ingersoll, Ont.

Selke, who returned to Montreal by plane Sunday said that defenceman Kenny Reardon suffered a broken toe in the contest which might keep him out of action for 10 days and that Maurice (Rocket) Richard had suffered a gashed face. "Neither of those things might have happened if the refereeing had been competent," said Selke.

THE CANADIENS' boss was particularly bitter over the fact that Hayes had given Richard a 10-minute misconduct "for slapping his stick on the ice" as a means of indicating his displeasure when Ken Smith of Boston was given "only a minor for cutting Richard so that he bled" instead of the automatic major.

Of Hayes' officiating, Selke declared: (President) Clarence

Allen Re-Elected By Fastballers

Archie Allen was re-elected president of the Edmonton District Fastball Association at the annual meeting last night.

Vice-presidents are Art Skitch, Walter Wells and Ed Tomick while Paul Soderberg was again chosen secretary-treasurer. Clare Hollingsworth, Bert Barlow and George Barr comprise the executive.

The opening date has not yet been decided, but the organization will hold another meeting in a couple of weeks.

FOUR TEAMS, Legionnaires, Moose, Dainty Cakes and RCAF, have definitely entered the senior division and there is a possibility that two more clubs may be added. The senior girls league will consist of three teams, Mortons, Walk-Rite and South Side. The junior men's loop will be organized at a later date and the South Side will be a certain starter.

Two trophies will be presented opening night, the Sonny Wheatfield memorial cup going to the most valuable player, and the league's cup for the top batter in the women's division going to Eileen Brown, of last year's Rovers.

Hat Trick by Hergie

Brandon, Moose Jaw Play to Overtime Tie

WINNIPEG, March 31 (CP)—Paced by Captain Wally Hergesheimer whose hat trick included a penalty-shot goal, Brandon Elks came from behind here Saturday night to tie Moose Jaw Canucks 3-3 in the 10-minute overtime second game of a best-of-seven series for the Abbott Cup and the Western Canada junior hockey championship.

The third game will be played here Tuesday night.

As in the first game, won by Brandon 2-1, a roaring sellout crowd of 3,000—two of them were carried from the amphitheatre after suffering heart attacks and a third was arrested when he attempted to throw a bottle to the ice—saw a spirited, aggressive battle.

EITHER BECAUSE of the brilliance of the goalies, Canucks' Bev Bentley, veteran of the Trail-Oshawa 1944 Memorial Cup final, and Brandon's Ray McDermid all-American college goalie when he played for University of Minnesota last year, or over-anxiety, both teams blew at least a score of seemingly sure-fire scoring chances.

Once in the second period, when Elks penned the Canucks behind their own blueline for a full two minutes, 11 shots bounced harmlessly off Bentley or his defencemen before the frantic Moose Jaw team managed to clear the puck. Time after time the opposing forwards had the goalies at their mercy only to shoot into their pads or over or wide of the net.

CANUCKS TOOK A 2-1 lead in the first period on goals by defencemen Hal Tarala and George Hunehuk with Brandon's coming on Hergesheimer's effort. The Elks reversed that in the second, Hergesheimer getting his second and third after Herb Lovett had given Canucks a 2-1 lead and what many thought was the game. There was no scoring in the third or the 10-minute overtime session.

MOOSE JAW—Bentley; Tarala, Bedard; Prystai; Juckes, Krekiewicz. Subs: Hunehuk, H. Lovett, Wilson, Stein, Thompson, G. Lovett, Hoskins.

BRANDON—McDermid; Kaiser, Johnson; Dunsmuir; Walters, Evans. Subs: Tergeson, Burman, Hergesheimer; Manson, Campbell, Mann, Schmeier. Officials—Chuch Hodgson, Port Arthur, Pep Moon, Edmonton.

FIRST PERIOD: 1-Moose Jaw, Tarala (Prystai) 1:38; 2-Brandon, Hergesheimer (Burman) 8:49; 3-Moose Jaw, Hunehuk 16:00; Penalties—Tarala.

SECOND PERIOD: 4-Moose Jaw, H. Lovett (Stein) 4:08; 5-Brandon, Hergesheimer (Manson) 11:57; Penalties—Tergeson, Stein.

THIRD PERIOD: Scoring—none. Penalty—H. Lovett.

OVERTIME: Scoring—none. Penalty—Tergeson.

Why breeders feed Gro-Pup

BREEDERS KNOW it is not safe to try to raise dogs on "table scraps" alone. Dogs must have a properly balanced diet that gives them everything they need for strong bones, sound teeth, and a beautiful coat. That's why breeders feed Gro-Pup.

Claims Ken Reardon Most Spirited Player

By Syd Thomas

MONTREAL, March 31 — (CP) — Kenny Reardon, Canadiens rushing, gallop-stride defenceman, is making quite a name for himself as a clutch player and draws more yells from the fans when he starts up the ice than even Maurice Richard, the idolized Rocket of the Montreal squad.

Now there's a report that Jim Morris of the Detroit Red Wings

would like so much to get his mitts on Reardon he'd be tempted to pay \$100,000 for him.

COMMENTS Dink (Montreal Gazette) Carroll: "The same Kenny is the most spirited player in hockey today and a great fellow to have on your side when the chips are down. It's no accident that he is now being compared with King Clancy when the latter was starring for Ottawa Senators and Toronto Maple Leafs. He has the same faculty of being able to rally a team . . . and even has the same skating style."

NO ONE SERIOUSLY thinks that Canadiens will let Reardon go in a million years, though. Dick Irvin for one has said more than once that the colorful rearguard has plenty to do with Canadiens fighting spirit and keeps them in the race when the going is tough.

Elmer (Montreal Herald) Ferguson adds: "Canadiens aren't selling anything. They're staying big league with the best team in hockey, despite the fact that they don't change as much at the gate as the tail-end clubs, nor make as much, but pay more to their players."

Harry Lumley Out For Rest of Season

DETROIT, March 31 — (AP) — Harry Lumley, Detroit Red Wing goalie, will undergo a serious groin operation Monday and will be lost for the remainder of the Stanley Cup playoffs, manager Jack Adams disclosed last night.

Lumley was injured March 1 in a game at Toronto but played the next eight games despite increasing discomfort. He was the star in a victory over New York 10 days ago which clinched a playoff berth.

Ralph (Red) Almas, recently brought up from the Indianapolis farm club, will continue in the nets for the Red Wings, who squared off their series 'B' playoffs with Toronto with a 9-1 victory Saturday night.

Coast Ball Loop Opens on Tuesday

LOS ANGELES, March 31 (AP) — Starting its 45th season, the Pacific coast baseball league embarks on a 186-game schedule Tuesday. As usual, the coast loop will be the first in organized ball to open.

With most clubs apparently strengthened, league president Clarence Howland and other observers forecast a close race.

THE CHAMPION San Francisco Seals, Los Angeles Angels, Sacramento Solons, Seattle Rainiers and San Diego Padres are all generally rated strong contenders in the pre-season doping. Oakland's Aorns, a good second in 1946,

Winnipeg Cagers Leaving for Coast

WINNIPEG, March 31 — (CP) — Winnipeg Pegg, Manitoba senior ladies basketball champions, are expected to leave here Monday for Vancouver to open a best-of-five series with the Vancouver Nut-house squad for the western Canada title.

The series had almost been cancelled after the Alberta champions withdrew from interprovincial competition, but an arrangement whereby Vancouver and Winnipeg will share expenses for the finals determined the issue.

Hollywood and Portland have been slower in rounding to form.

The opening week will find Seattle at San Francisco, Portland at Los Angeles, Oakland at San Diego, and Hollywood at Sacramento. Secondary openers are slated for April 15.

Edgar Laprade May Quit NHL

PORT ARTHUR, March 31 — (CP) — New York Rangers' high-scoring centreman, Edgar Laprade, may return to amateur ranks next winter.

Laprade said in a recent interview here that he might not rejoin the National Hockey League next winter, that he might even seek reinstatement as an amateur—a rank he forsook two years ago to join Rangers.

HE WAS still undecided on the point, he said, but intimated the next two months would determine his course. While he enjoyed professional hockey, "living in New York was a headache."

His immediate concern, said the former Lakehead amateur star,

Talk Canadian Final For Varsity Gridders

SASKATOON, March 31 — (CP) — The annual meeting of the Western Canada Intercollegiate Athletic Union here Saturday decided to ask the Eastern Canada Intercollegiate Rugby Union to send an eastern team west for exhibition games next fall and to hold an unofficial all-Canada college football final in the east.

With the University of Manitoba electing to play the United States universities, only Saskatchewan and Alberta will compete for the Hardy cup, emblematic of the western intercollegiate football championship, and efforts will be made to have these two universities meet for the title.

THE MEETING also decided: To permit a student to compete in intercollegiate athletics five years instead of four provided his scholastic standards are satisfactory;

To place no limit in the number of players carried on football and basketball teams;

THE 1947 GOLF, tennis, swimming and track and field meets will be held at the University of Alberta, curling, fencing (men) and badminton at Manitoba and boxing and wrestling at Saskatchewan.

Basketball and hockey championships will be decided among the three universities in a home-and-home series.

An innovation will be the women's basketball, fencing and curling championships, all during the same week-end at Saskatchewan.

Alternative to U.S. Plan

Big 3 Talks Proposed
As War Moves SeenBy HARRISON SALISBURY
(British United Press Foreign News Editor)

A new proposal for a Big Three conference of President Truman, Generalissimo Stalin and Prime Minister Clement Attlee to discuss critical near-eastern problems was advanced today as an alternative to the American plan for \$400,000,000 grants to Greece and Turkey.

The Big Three proposal came as suggestions were advanced in Moscow that Secretary of State George C. Marshall may decide soon to request a meeting with Stalin in an effort to break the deadlock over peace treaties with Germany and Austria.

A Marshall-Stalin conference would provide the first opportunity for exploding official Soviet reaction to Mr. Truman's new foreign policy doctrine.

A critical analysis of the Turkish phase of Mr. Truman's plan was presented by Pravda, organ of the Communist party, in Moscow today. David Zaslavsky who has sharpened his pen in many an attack on western policies, charged that American aid to Turkey was intended for war purposes.

Zaslavsky acidly attacked the Turkish press, but said that articles in Turkish newspapers made plain that the real purpose of the American subvention was for war preparation.

The Turks are slated to get \$150,000,000 to be used in motorizing their army and improving railroads and highways.

A Resolution, released Sunday, read: "Legislation and administrative practices affecting veterans should be amended to conform to current conditions to ensure our veterans the considerate treatment they so richly deserve for the preservation of our liberties, and in particular that:

"1. Veterans and their dependents should be provided that small holdings of one-half acre will qualify for benefits under the Act.

"2. Veterans should be effectively protected against defective workmanship and materials in, and the excessive and exorbitant prices they are being charged for their homes.

"3. PENSION RATES should be adjusted to take care of increased costs of living.

"4. Benefits under veterans' legislation should be extended to Imperial veterans who resided in Canada before Sept. 1, 1930.

"5. Veterans of the First World War with service in Great Britain should be entitled to benefits under the War Veterans Allowance Act.

"6. Student veterans in receipt of disability pensions should be paid full allowances for students in addition to their pensions.

"7. MORE FREQUENT meetings of the pensions commission should be held in all parts of Canada.

"8. Applicants for civil service employment should be credited with time spent in His Majesty's forces and where there are age limits should not be disqualified on account of time spent in His Majesty's forces."

CARL C. COOK

Member Quitting
Workmen's Board

Carl C. Cook of Calgary has resigned from the Alberta Workmen's Compensation Board, effective April 1.

MR. COOK, a former coal operator at Drumheller, with the Western Gem and Jewell collieries, said that only "personal reasons" motivated his resignation. He has no definite plans except that he will "take it easy" for sometime.

He was appointed first to the compensation board almost four years ago, and on the resignation of Dr. Victor Wright, in June, 1945, he was named temporary chairman. He continued in that capacity for 20 months. He was succeeded as chairman by C. M. Macleod of the attorney-general's department about two months ago, but he stayed on as a member.

"MY RELATIONS with the premier and the cabinet have been most satisfactory," said Mr. Cook. "There is absolutely no difference over policy."

Mr. Cook's resignation leaves the employer's seat vacant. He was originally employer representative on the board under Dr. Wright's chairmanship. W. M. Rose succeeded him as employer representative, when Mr. Cook went to the chairmanship, and then retired when Mr. Macleod was appointed to the board. Alfred Farnilo is the labor representative on the board.

IN HOWRAH near Calcutta, troops fired on rioters looting shops. Police reinforcements were rushed into the highly industrialized area. Sikh bus drivers refused to take out their vehicles because of attacks in which brickbats were thrown.

THE STREETS of Calcutta were almost deserted. Few workers showed up at government buildings, commercial offices and downtown shops. Most marketing centers were closed. Fresh food was scarce. Prices were rocketing.

An official statement on the Bombay disturbances said the situation was under control, although tension still prevailed in certain quarters.

HAIFA Battle

(Continued from Page 1)

Fire damage was estimated at \$4,000,000 (\$16,000,000). Six other tanks were imperiled.

HALF OF the refugees reached Haifa this morning aboard two British warships which took them from the crippled wooden refugee vessel about 30 miles off the coast. The other half reached port aboard the vessel, which was towed in by the British.

Dense smoke shrouded the port during the fighting. Three explosions caused by explosive charges the sailors placed under the pipes battered the harbor area. The resulting fire was the biggest in Haifa's history.

About 400 refugees were transferred from the destroyer Charity to the troopships without incident. A second group of 350 from another destroyer resisted vigorously. Tear gas was used by the British to subdue them.

A NUMBER of casualties were believed to have occurred in the pipeline explosion and fire.

Well, when I kibitzed this hand, declarer made five-odd, or should I say, the opponents gave him five-odd.

On the opening heart lead the ten was played from dummy, South covered with the Jack, and declarer won. He cashed the ace of diamonds, then led a small diamond. South winning with the queen. A club was returned, dummy's ace won, a small spade was led and declarer finessed the nine-spot. North won with the queen and returned the king of clubs, which declarer ruffed.

Now declarer led the Jack of diamonds, and this is where North made a big mistake. He trumped that trick, declarer overtrumped in dummy, picked up the other trumps and cashed all of the diamonds, thus making five-odd.

If North had refused to trump the Jack of diamonds, declarer would have found himself in a ticklish situation because he still had not picked up South's last trump.

Must Stand Prepared

Conscription Vital
For Safety of Britain

LONDON, March 31.—(Reuters)—Without conscription Britain would be unable to meet even a fraction of her immediate defence requirements, Labor Minister George Isaacs declared in the Commons today.

Isaacs opened a two-day debate on the government's national service bill which provides for continued compulsory call-up for the armed forces after the current transitional arrangements expire next year.

The debate is expected to reach a climax tomorrow night when "rebel" Labor members force the issue to a division on a motion demanding rejection of the conscription proposal.

Conscription was not only necessary to ensure the safety of the country, but it also was the most democratic way of providing the forces required, Isaacs declared.

"We consider it a national duty that everyone, when required, should come to the defence of his country, and in that event should give sufficient time to make himself

competent to undertake that duty . . .

"There is no idea in our minds to get in a fight with anybody, but, on the other hand, somebody might want to have a fight with us, and so, for that reason, we must be prepared to stand our ground and defend our country. We must maintain a reasonable state of preparedness."

Orchestra Concludes Successful Season

Before an enthusiastic audience, the Edmonton Philharmonic Orchestra concluded its third season at the Strand Theatre on Sunday night. It was the fifth concert in the regular series and the sixth given during the season, as one "symphony for students" had been sandwiched in earlier this month.

I SAW TODAY: Margaret Clark conversing with a friend in the offices of the family allowance department.

It was a fitting climax, and sent patrons away well satisfied, and no doubt they will be awaiting with interest the opening of the fourth season in the autumn.

While the playing, generally speaking, was good, it could have been better. Tempos were inclined to drag and in almost every work, just a little more attention to detail, a slightly more delicate rounding out of phrases—perhaps all stemming back to the fact that greater attention to rehearsals should have been taken—would have infinitely improved the whole.

JUST THE SAME, there was an abundance of fine work and individual members of the orchestra, as well as the different sections, may be pleased with the concert and the season as a whole.

Abe Frakin conducted energetically and with obvious interest and enthusiasm. He was always ready to give a helping hand and co-ordinated the various sections with beneficial results.

RAY PERRATT, baritone, made his debut with the orchestra scored heavily with his singing of the aria "Barber of Seville" from Rossini's "The Barber of Seville" and Oley Speaks "On the Road to Mandalay." He displayed a well trained voice, under rigid control. There was sample power to build up effective climaxes and yet the volume could be scaled down without loss of control. He was given a warm ovation.

The program included Mozart's "Don Giovanni" overture; Beethoven's Symphony No. 5 in C Minor; Berlioz's "Racine's March"; Dvorak's Slavonic Dance No. 10 in E Minor; Borodin's "On the Steppes of Central Asia" and Verdi's overture to "Aida."

Two Motorists Lose Licenses

In an effort to curb the activities of speeding motorists, Magistrate A. I. Miller, has cancelled two drivers' licenses during the last few days. He said he found that suspending licenses brought much better results than fines.

On Saturday, Steve Cymbaliuk, Beverly, was fined \$25 and cost for speeding and in addition his drivers license suspended for three months. The accused was reported to have driven through two school zones at a high rate of speed.

Two-War Veteran Dies Suddenly

A veteran of the Boer War and World War One, Percy Lawrence, 81, Elmo hotel, died suddenly in the Canadian Legion club rooms about 8:45 p.m. Sunday.

Lawrence was found slumped over in a chair after having played a game of pool. Smith's ambulance rushed the man to hospital, but on arrival he was pronounced dead by Dr. S. Kling.

Lawrence was about 70-years-old. Police said the only known relative was a daughter in Unity, Sask. Andrews - McLaughlin are in charge of the funeral arrangements.

Accident Victims Out of Hospital

Two men injured in a traffic accident near St. Albert on Friday night have been released from hospital after treatment. The two men, Robert Arndt and Walter Flood, both of Leduc, ran into a telephone post while travelling along the St. Albert road toward Edmonton. Both men were picked up by Paul's Ambulance. Arndt suffered a back injury, while Flood received a cut over the nose.

Court Dismisses Damage Action

Supreme court action brought by William Salamandick, Vegreville, on behalf of his daughter, Olive Salamandick, against Canadian Utilities Ltd., seeking \$6,700 special and general damages for injuries received by the infant plaintiff, when struck by a power line pole as it fell from the impact of an airplane making a forced landing on Vegreville's main street on May 10, 1946, was dismissed in a judgment handed down Monday by Mr. Justice Hugh John Macdonald.

THE PLAINTIFFS to the action alleged that the power pole was in a rotten condition and constituted a nuisance and a public hazard. The court held that the pole, which had withstood a severe wind storm several weeks prior to the airplane accident, was not a nuisance, and also held that the defendant company could not be expected to maintain its poles in such a condition that would withstand the stresses imposed on them by the alighting airplane.

Horace Johnson appeared for the plaintiffs, and Ronald Martland, K.C., for the defendant.

Concert Assists Red Cross Drive

In aid of the Canadian Red Cross Society, a rally and concert was held in the Memorial Hall on Sunday afternoon, under the auspices of the Association of United Ukrainian Canadians. A program of music was given by a 37-piece orchestra under the leadership of Mike Budnyk. Musical numbers were given by a men's choir and a women's choir with Miss Elsie Korzhinsky as soloist, while dance numbers were contributed by the boys' instrumental group.

During the intermission the audience was addressed by Robert Muir, secretary-manager of the Edmonton branch of the Canadian Red Cross Society, and J. Klyvanowski, chairman of the association. A collection in aid of the Red Cross amounted to \$167.16.

Celebrate Palm Sunday In Edmonton Churches

Palm Sunday was celebrated in Edmonton churches yesterday with services suitable to the day commemorating the procession of the palms and the beginning of Holy Week.

CHURCHES OF all denominations, in all sections of the city were filled at both morning and evening services.

Churches were decorated with palms, and spring flowers.

Ministers, in their sermons, dealt with the significance of the day and its place in Holy Week activities.

CHOIRS ARRANGED special music. There were extracts from Handel's "Messiah"; and other appropriate oratorios, while soloists were heard in well known numbers from oratorios and sacred cantatas.

The Palm Sunday services institute the intensive religious activities of Holy Week.

In nearly all city churches there will be special services. Some will hold services every day.

On Good Friday a climax in the religious observances will be held. Services will be held throughout the day, with several in some churches.

In some churches sacred cantatas will be sung. Stainer's "Crucifixion," Maunders' "Olivet to Calvary," Moore's "The Darkest Hour" and other favorites will be heard. Some choirs will be heard in excerpts from "The Messiah."

Easter Sunday will see the six-week religious period brought to a close, with the church services reaching a peak in their treatment of the Easter theme and in the musical background provided by choirs.

SENATOR HERE: Senator Arlside Blais, who sits in the upper chamber for Alberta, who is in Edmonton on the way to his home in British Columbia. Former well-known physician and surgeon here, Senator Blais sees no likelihood of a Dominion election this year. He will return to Ottawa for reconvening of the Senate on April 30.

Farmer Delegates Going to Ottawa

A two-man delegation representing the western Canadian farmers will confer with federal authorities on Wednesday, April 16.

The delegation will consist of Carl Stimpfle, president of the Alberta Farmers' Union, and George Wright, of Saskatchewan, president of the Saskatchewan Section of the United Farmers of Canada.

Mr. Stimpfle and Mr. Wright will meet with finance minister Douglas Abbott and Agriculture Minister James G. Gardiner on a general round of proposals centering on current agricultural problems.

Mr. Stimpfle will leave Edmonton on April 14, prior to going to the capital, he will hold a conference with officials of the UFC in Saskatoon.

Farm Labor Talks Under Way Here

Farm labor problems for the fiscal year commencing April 1, are being discussed at a meeting of the Dominion-provincial farm labor board at the Legislative Buildings on Monday.

George V. Haythorne, Ottawa, director of the national employment services is representing the Dominion at the meeting. O. S. Longman, deputy minister of agriculture is chairman of the board.

Estranged Couple Should Get a Home

Dear Miss Dix: My husband and I were separated nine months ago. We have a baby girl of whom both of us are very fond. My husband also loves me, but we parted because we could not get along together. We were always fighting and he cannot stand that. The reason we were always in a brawl is because we either lived with my relatives or his, and that is one thing that never works out. I have told him that if we could just go off by ourselves there would be no trouble and we would be happy, but he says he cannot figure out any way that he and I could get along without fussing and nagging at each other.

I say that we can if we don't try to live with our mothers for you know how mothers are about interfering with their children's affairs. Don't you think I am right?

Mrs. J. M. S.
Answer: You are certainly right in saying that for families to double up and try to live together is the short cut to the divorce court. Statistics show that mothers-in-law break up more homes than all the sirens and volutes put together, and any young couple who goes to live with the groom's family or the bride's family are just asking for trouble, which they are sure to get.

And another piece of advice I would give you: Learn to control your temper and your tongue and use some diplomacy in getting along with your husband. It takes two, you know, to make a fight, and evidently you have not been one of the wives who dodge a good scolding.

Why Grow Old?

Actress Penny Edwards tries the exercise Josephine Lowman finds useful for women who are not losing weight but need redistribution of weight.

By Josephine Lowman
The following record is taken from my class files. This particular woman did not want to lose weight. She felt that the weight she had was becoming, and she was not overweight anyway.

She did want a smooth figure contour. She wanted to lose some inches from the waist, stomach and hips. This is her accomplishment for four weeks:

Before	After	No change
Weight—120 pounds	108 pounds	Gain an inch
Bust—33 1/2 inches	34 1/2 inches	Loss of 1 1/2 inches
Waist—26 1/2 inches	25 inches	Loss of 3 inches
Abdomen—33 inches	30 inches	Loss of 3 inches
Hips—36 inches	35 inches	Loss of one inch

This pupil was told that dieting would not be necessary. She was warned to keep her calorie intake normal, because exercise sometimes whets the appetite so that a woman will eat more without realizing it.

There are many case histories like this one. I think the most startling one I have is the record of a woman well in middle life. This pupil wanted to hold her weight because it was flattering to her face but she had a very large abdomen. At the end of eight weeks she had gained four pounds and had lost six inches from her stomach.

You see it can be done! These women spent from 15 minutes to a half hour each day in prescribed exercise. They watched their diet only to see that they did not unconsciously increase their calorie intake.

This is one of the hip exercises

Your Baby and Mine

By Myrtle Meyer Eldred
If mothers made a point of giving orange juice or some vitamin C product every day of the baby's life, there would be no necessity to harp on the subject. But from what mothers write me I find that vitamins C and D are the ones most often ignored, even though the rest of the diet may be good.

Vitamin C is the live element every baby needs to prevent scurvy. A well-developed case of scurvy with spongy, purplish gums, pains in joints, etc., is not often seen, but mild cases of joint pains, sometimes called "growing pains," are not always attributed to possible lack of this essential vitamin. There are, of course, other reasons for growing pains.

Unless the baby is being given mother's milk, which provides vitamin C, babies on any processed milk whether it be canned, boiled, pasteurized or what have you, need extra vitamin C in the diet. The vitamin contained in the cow's milk is materially diminished in the above processes, and also during the time needed to get the milk from cow to consumer.

Orange juice is rich in vitamin C. There is a progressive loss the longer the orange juice stands after it has been squeezed. Tomatoes are also a good source but not as good as oranges nor as well-liked by most children. When the baby can take neither orange or tomato juice without suffering some discomfort or vomiting or developing a rash, then a vitamin C tablet called ascorbic acid is a good substitute for it.

By the time the baby is one month old, and is being fed any artificial food, the orange juice should be started. Use the juice from naturally sweet oranges and do not add either sugar or soda to it. Dilute with an equal quantity of boiled water. Strain the juice so that it is clear and free of pulp and start with one teaspoonful of the juice plus the same of water. If the orange is kept in the kitchen and not in the icebox the juice will be the right temperature for the baby. If it is

cold then use warm water for dilution.
Increase the quantity by about one teaspoonful daily until the baby is getting two to three ounces of the juice. If he will take it without water that is fine, if he objects to the sharp taste, then dilute it as before. Tomato juice must be given in double these amounts and it may be the juice from home canned or commercially canned tomatoes, or from ripe, raw tomatoes. The commercial canned juice may be too highly seasoned for the baby.

Our leaflet No. 22 on "Formulas and Early Feeding," for the baby from one month to nine months may be had by sending a stamped, self-addressed envelope with this request to Myrtle Meyer Eldred in care of The Edmonton Bulletin.

Remand Suspect In Purse-Grabbing

A purse snatcher who couldn't run fast enough Friday night appeared before Magistrate A. I. Millar, K.C., in city police court Saturday. He is John Meakin, Edmonton. The magistrate remanded him until April 3.

According to police, Meakin snatched a purse from Mrs. Peter Penlington, 9831 107 street, as she walked along 99 avenue near 104 street. The culprit ran away and Mrs. Penlington, who was accompanied by her mother, Mrs. E. Lawrence, called for help.

Tom Mayson, 10652 105 street, who was walking nearby, responded and gave chase. He was joined by George Game, 9903 105 street. The two men chased Meakin up a back alley where they apprehended him. The accused pleaded guilty to the charge.

Norway Steamer Wrecked by Mine

TERSCHELLING, Holland March 31. (Reuters)—A Norwegian steamship, described as the Titanian of 4,880 tons, struck a mine when sailing in ballast 40 miles west of the Dutch North Sea island of Texel, Sunday. The crew of 30 was taken off by a Dutch fishing vessel and, as far as was known here, all are safe.

Hot Cross Buns In Short Supply

"Hot cross buns are very scarce," it was announced today by Charles F. Simmonds, secretary of the Master Bakers Association. The buns will not be available in large quantities this week.

Shortages of ingredients and sufficient supplies of raisins block the meeting demand. Smaller bakeries, although, in communities in and out of the city may have a few on sale.

90th Birthday For F. Lapierre

Beatrice Kelly gave a breakfast party at the Macdonald hotel Sunday morning for the bride-elect Miss Eva Hopkins was a luncheon hostess.

To mark the 90th birthday of her father, F. X. Lapierre, a family reunion was held recently at the home of Mr. Lapierre's daughter, Mrs. A. E. Simon 11913 91 street.

Mr. Lapierre has four children, eight grand children and twelve great grand children. His children are: Frank Lapierre, Joseph Lapierre, Mrs. A. J. Darnes who is postmaster at Duvernay, and Mrs. Simon, with whom he resides. Mrs. F. X. Lapierre died in 1932, two years after the couple had celebrated their golden wedding anniversary.

Mr. Lapierre is considered "a whiz" at the game of checkers, and plays on a special checker board which he had carved for himself at Quebec in 1896.

After visiting her parents, Mr. and Mrs. T. W. White, Mrs. Ian C. MacSwan has returned to Vancouver.

PERSONALS

Group Captain F. A. Sampson and Mrs. Sampson of Edmonton were Calgary visitors Friday on their way to Banff where they were accompanied by Col. and Mrs. I. T. Dewar.

In honor of Miss Shirley Irene Grant, bride-elect of Friday, Miss Delores Kimball entertained at a breakfast party at the Macdonald hotel Sunday morning. A picture was presented to Miss Grant. Present were: the Misses Margaret Grace of Victoria, Aubrey Guller, Marion Night, Helen Night, Shirley Shipley, Lorna La Rose, Shirley Grant and Delores Kimball.

Mr. and Mrs. C. H. Clifford entertained recently at a miscellaneous shower, honoring Miss Bernice E. Bujon and Gerald S. Dallyn, whose marriage is planned for Saturday. Highlight of the evening was the staging of a "mock" wedding. Gifts were presented to the young couple in a decorated baby carriage by Mr. and Mrs. Clifford's small daughter. Twenty-eight guests attended.

Mr. and Mrs. Robert Stewart, who were married recently have returned from a honeymoon in Banff and taken up residence at 10177 114 street. The bride is the former Miss Dorothy Vanderburgh.

Mrs. E. Wershof returned to Edmonton Saturday after a trip to the east visiting in Toronto, Ottawa and New York.

On the occasion of their 62nd wedding anniversary, March 28, Mr. and Mrs. George Langdon, 9807 82 avenue, several friends called during the day to extend congratulations. Tea was served.

Les Amies Club 25 Years Old

An unusual event in the experience of Edmonton social clubs took place in the ballroom of the Macdonald hotel on Friday night when the Les Amies Dance Club celebrated its silver anniversary.

The 25 tables which accommodated 255 members and guests were decorated with roses and cream candles. After dinner, Dr. J. Ward acted as master of ceremonies. He outlined the history of the organization since its inception in 1922, and praised the work of the committee: C. Melvin Scott, J. Percy Page and James W. Hill, who have directed the club for such a long period. He stated that four additional couples were also charter members—Mr. and Mrs. George Cronin, Mr. and Mrs. Eldon Hayward, Mr. and Mrs. Earl Finch, and Dr. and Mrs. A. W. Macbeth. Mrs. J. Bartley-Parker, has been in charge of the music during the entire quarter century.

AFTER Dr. Ward's remarks, presentations were made to each member of the committee of original paintings by one of the club members. J. Gordon Sinclair, Edmonton artist, suitable replies were made by the committee, and it was announced that the club would continue to function next season.

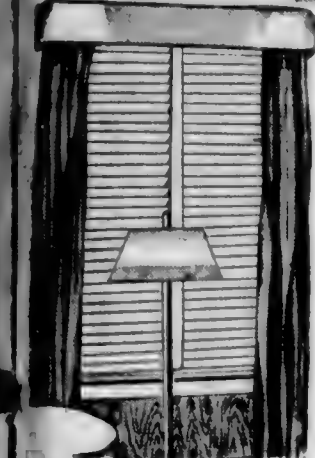

THE FOLLOWING special guests attended the function:

Mr. and Mrs. Earl Bower, Mr. and Mrs. Ross Impey, Mr. and Mrs. M. Eby, Miss Audrey Hibbert, Donald Muir, Mr. and Mrs. J. H. Fulton, Mr. and Mrs. Arlon Cooper, Mr. and Mrs. J. C. Cunningham, Mr. and Mrs. Don McFarvey, Mr. and Mrs. Carmen McElride, Miss Bonnie Jones, Ralph Loder.

"It's pretty discouraging, working with you. The only thing you've got is a beautiful face and a gorgeous figure!"

WANTED A CHANCE

After a complicated trial, at which the witnesses for and against the prisoner contradicted one another wildly, the jury found him guilty of stealing fur coats from a warehouse.

Then, when the police witness started to prove previous convictions against him, the prosecution were dismayed to learn that he was actually in prison for another offence at the time the coats were stolen.

"Why didn't you say so at first," demanded the magistrate, "instead of wasting the time of the court like that?"

"Well, yer worship," replied the prisoner calmly, "I was like this. I didn't want to prejudice you against men—you might have thought I was a criminal."

Animal Orchestra
Being Developed

ROME (NANA) — John Ringling North, vice-president of the Ringling Brothers and Barnum and Bailey circus, has about finished his explorations of Europe's circus world, and expects to return home with some new animal acts, the most sensational of which seems to be a couple of Belgian super-pigs, one white and one black. The white one sits at table to eat, with a pretty good display of table manners to boot. The black pig is something of a trumpeter, specializing in a rendering of "Who's Afraid of the Big Bad Wolf."

Mr. North obtained six chimpanzees in Portugal, sea lions in Spain, 30 bears, including polar bears, in Sweden, "educated" horses in Denmark, and trapeze acts from almost every country of Europe. A piano-playing poodle, which is currently being billed on the Italian variety halls, is not yet on his long list however. The critics have nothing but praise for this doggy virtuoso who not only specializes in a canine rendition of boogie-woogie, which compares favorably with the human variety, but accompanies his own singing.

With the discovery of trumpet-playing pigs and piano-playing dogs, the circus men's dream of an all-animal orchestra is showing signs of becoming a reality. They say drum-playing monkeys are not hard to find, and singing parrots are common.

Mainline Pilot
Is East Indian

VANCOUVER (CP)—Karm Singh Mattu, only East Indian pilot on Canadian mainline airways, has logged 3,500 hours and is regarded by his co-workers as a cool and able airman.

He is co-pilot on the Vancouver-Prince George-Port St. John and Vancouver-Nanaimo runs of Canadian Pacific Airlines.

Pilot Capt. Mel Lee says: "He's as steady as a rock—different in temperament from East Indians I have flown with overseas. They are inclined to be somewhat excited in emergencies, but you would have to set a firecracker under Karm to rattle him."

Mattu tried to enlist in the R.C.A.F. during the war, but lacked educational qualifications. So he went to night school and is still studying. He came to Canada from his native India at the age of two.

Germans Produce
Artificial Flowers

BERLIN.—Outstanding in the industrial recovery of Germany is the production of artificial flowers. Amid the war ruins of Berlin and many other German cities, the inconspicuously brilliant color of these phony blossoms appear in the shop windows.

The artificial bouquets are being shipped from the mountain districts of Saxony and Thuringia. The most beautiful ones come from the village of Sebnitz in the Schandau district of Saxony.

Sebnitz has long been virtually one single workshop for the manufacture of man-made posies. Most of the labor is done in the homes. Usually every member of a family takes some part in the handicraft. Before the war the Germans carried on a substantial export trade in artificial flowers. They were then made of silk, velvet and other materials which are now scarce. Nowadays paper is used, in the main, and the product is sold almost exclusively in the Russian zone.

Present production, amounting to about 5,000,000 flowers a week, is going 80 percent into cemetery wreaths. The remaining 20 percent is devoted to little nosegays for hats, coats or vases.

At a slightly higher cost, the artificial bouquet is impregnated with the odor of the real flower it imitates. The German skill in making ersatz commodities has apparently not been destroyed.

Norway resents Swedish attempts to hire away Norwegian workers, needed at home.
